An Annual Membership Fee is charged to all Yellowhead Users to ensure parity for all regular facility users. The Membership Fee is an annual payment per family at the time of your Registration and is based on your Home Residence and what your home Municipality/Town Grants the Yellowhead to keep it open! For the 2021/2022 Year (September 1/21 to August 31/22) the fee will be \$75. Example: If you live in Neepawa your property taxes have covered \$61.40 of your \$75 Membership so you would owe \$13.60.
